EVERYTHING FROM ONE SOURCE.

TRID GmbH bundles logistics, customs service and transport for companies, customs agents and carriers.

We organise interim storage on flexible space with electronic software management of inflows and outflows.

Some of the TRID GmbH warehouses are recognised tax and customs warehouses (including alcohol warehouses) and offer storage services for alcoholic products from the EU.

We handle all excise duty formalities for you in connection with the intra-Community purchase or sale of beer, wine, sparkling wine and alcoholic products.

Entrust your logistics and transport to us and you will never have problems again!
